VISHWAGURU BHARAT

वसुधैव कुटुम्बकम् - अतिथिदेवो भव

Since ancient times, seekers from all over the world have converged in India to partake of her priceless spiritual wisdom. India also introduced the concepts of non-violence and universal brotherhood to the world. At a time when divisive forces are raising their heads across the world, India should take on the mantle of Vishwa Guru, or Teacher of the world.

HON'BLE PRIME MINISTER OF INDIA SHRI NARENDRA MODI

The vision of our Hon'ble Prime Minister Shri Narendra Modi is "If we have to build the Nation then we have to start from the Villages" and he believes that "If every Member of Parliament transforms villages in his/her constituency into model villages then large number of villages in the country would have seen holistic development". Our Prime Minister has requested all the Members of Parliament (MP) of both Lok Sabha and Rajya Sabha to develop one model village in their constituency by year 2016 and two more by 2019.

Unsuccessful people just hate, blame, and
complain.
